(Create Revision Assignment for Turnitin Assignment)

College of Nursing

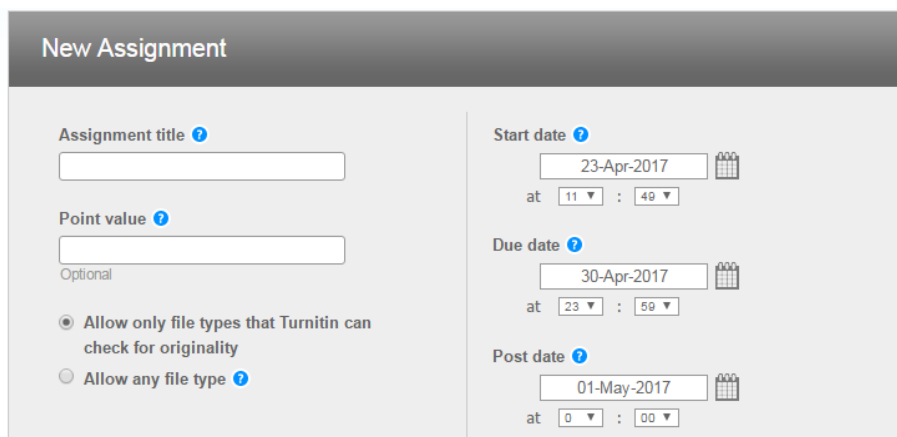

1. Go to **Assignments**, Click **Turnitin Assignment**.

2. Select **Paper Assignment**. Then, click **Next Step**.

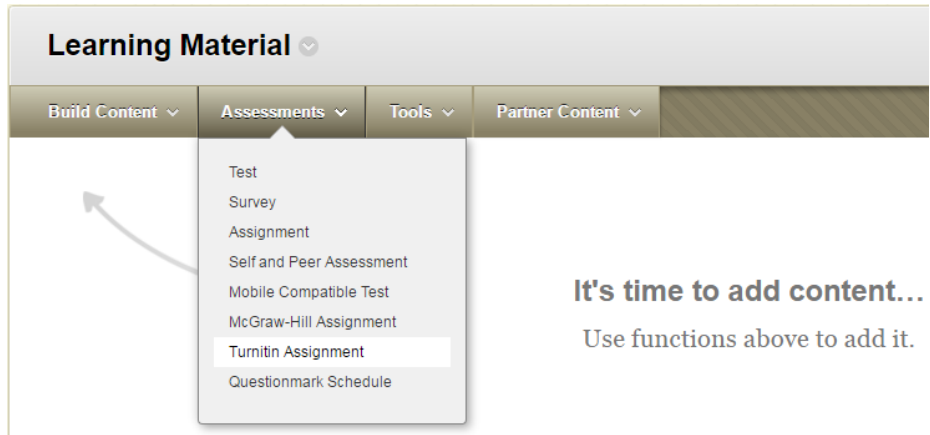

3. Fill out the **Assignment Title**, **Point Value**, **Start Date**, **Due Date** and **Post Date**. Then Click **Submit**.

The screenshot shows the 'New Assignment' form. It has the following fields and options:

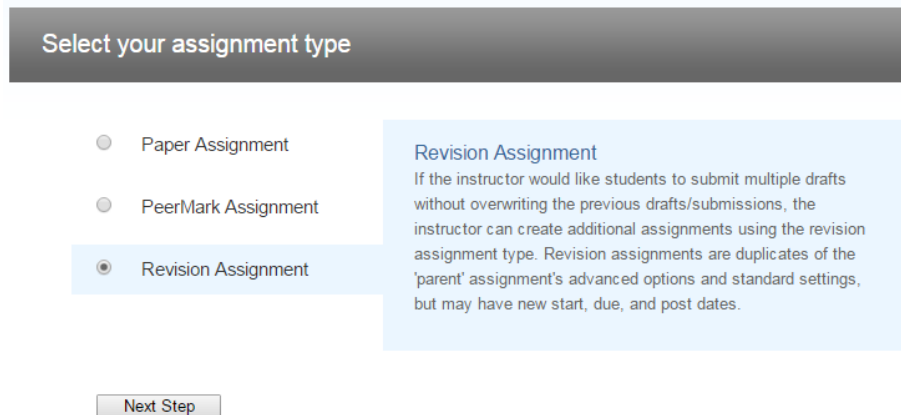

- Assignment title**: A text input field.
- Point value**: A text input field with the label 'Optional' below it.
- File type options**: Two radio buttons: 'Allow only file types that Turnitin can check for originality' (selected) and 'Allow any file type'.
- Start date**: A date picker set to '23-Apr-2017' with a time dropdown set to '11 : 49'.
- Due date**: A date picker set to '30-Apr-2017' with a time dropdown set to '23 : 59'.
- Post date**: A date picker set to '01-May-2017' with a time dropdown set to '0 : 00'.

4. Again, go to **Assignments**, Click **Turnitin Assignment**.

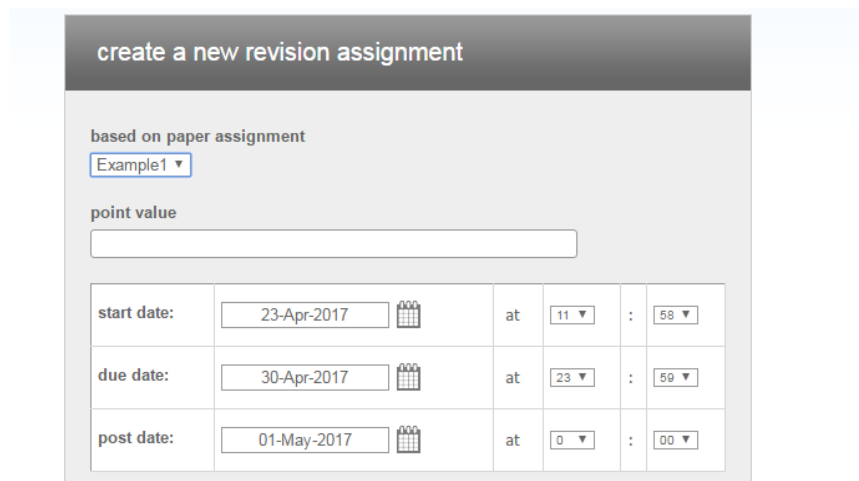

The screenshot shows a 'Learning Material' header with a dropdown arrow. Below it are four main menu items: 'Build Content', 'Assessments', 'Tools', and 'Partner Content'. The 'Assessments' menu is open, showing a list of options: 'Test', 'Survey', 'Assignment', 'Self and Peer Assessment', 'Mobile Compatible Test', 'McGraw-Hill Assignment', 'Turnitin Assignment' (highlighted with a white background), and 'Questionmark Schedule'. An arrow points from the 'Turnitin Assignment' option to the right. To the right of the menu, the text reads: 'It's time to add content... Use functions above to add it.'

5. Select **Revision Assignment**. Then, click **Next Step**.

The screenshot shows a 'Select your assignment type' screen. There are three radio button options: 'Paper Assignment', 'PeerMark Assignment', and 'Revision Assignment'. The 'Revision Assignment' option is selected and highlighted with a blue background. To the right of the 'Revision Assignment' option is a text box with the following content: 'Revision Assignment' followed by 'If the instructor would like students to submit multiple drafts without overwriting the previous drafts/submissions, the instructor can create additional assignments using the revision assignment type. Revision assignments are duplicates of the 'parent' assignment's advanced options and standard settings, but may have new start, due, and post dates.' Below the options is a 'Next Step' button.

6. Select the **Based on paper assignment**. Add **Point Value**. Select **Start Date**, **Due Date** and **Post Date**.

The screenshot shows a 'create a new revision assignment' form. The form is titled 'create a new revision assignment' and has a sub-header 'based on paper assignment'. Below this is a dropdown menu with 'Example1' selected. There is a 'point value' input field. Below that is a table with three rows for dates and times:

start date:	23-Apr-2017		at	11	:	58
due date:	30-Apr-2017		at	23	:	59
post date:	01-May-2017		at	0	:	00

7. To allow student to see the original report each time she submit a paper, make sure to select; **immediately (can overwrite reports until due date)** and select **yes** for **allow students to see original report.**

generate Originality Reports for student submissions:

allow students to see Originality Reports?

yes

no

8. Click Submit.
