UNIVERSITY STUDENT RESEARCH BOARD
Policy No. USRB 002
Student Publication policy

- 1- The University encourages all students to publish their work in peer-reviewed journals.
- 2- The Student Research Board (SRB) advises students to draft a contract with the supervisor that defines the criteria for order and sequence of the authorship.
- 3- The SRB advises students and their supervisors to publish in PubMed-listed Journals.
- 4- Research results can be published ONLY ONCE in the format of a manuscript. Multiple publications of the same results are prohibited.
- 5- The university exercises zero tolerance for plagiarism. It is the responsibility of the student and supervisor to have the research proposal and manuscript checked for plagiarism before official submission.
- 6- The SRB advises students and supervisors to agree on a mechanism for presenting research results at scientific conferences.
